Greetings,

We do not oppose a request for a 30-day extension; however, you should direct your request to the Court. You can note if or when you make such a request that the Plaintiff does not oppose a 30-day extension of time to respond to the Complaint.

I am also directing you to the link for pro se litigants here: <https://www.cand.uscourts.gov/pro-se-litigants/>. I cannot provide you with any legal or other advice, and you should direct any questions you have to the Clerk's Office.

Regards,

**James Slater**
